Proposal to introduce a revision to the DPT for the MSc Educational Leadership (Online Distance Learning) programme to include an exit route with Diploma.

All students in the MSc Educational Leadership (Online Distance Learning) programme have successfully completed the first two years of this and are due to move onto the final year with Research Methods: Planning Research [REDU110044] and the dissertation. However, one student wishes to finish with a diploma. We do not currently have an exit award for this within the DPT. Hence the need to have a revised DPT in place for a PG Diploma.
