2015 – Undergraduate Honours Dissertations.

2015-1  ALLISON, Rory
Identifying contingencies between affective, behavioural and cognitive Aspects of personality states and situational variables.

Dr René Mõttus

2015-2  AMPOFO, Olivia
Achievement goals and the Big Five Personality Traits in university students.

Dr Tom Booth.

2015-3  ARCHER, Natalie
Adult age differences in the variability of personality.

Dr René Mõttus.

2015-4  BANNERMAN, Flora
‘There’s no art, to find the mind’s construction in the face’ (Shakespeare 2009: 1.4.12)
Proving Shakespeare wrong: can children be taught in the art of facial expression of emotional recognition.

Dr Leonidas A A Doumas.

2015-5  BANO, Felicity
Finding how to be ourselves in their world: an interpretative phenomenological analysis investigating people’s lived experience of moving from Czech Republic and Slovakia to the UK.

Dr Billy Lee.

2015-6  BAO, Jun
From SERIF to binocular SERIF.

Dr Richard Shillcock.

2015-7  BASHKIROVA, Varvara
Effect of practice on selective attention mechanisms.

Dr David Carmel.

2015-8  BEATTIE, Megan
Objectification: the link between pornography and negative attitudes and behaviours towards women?

Dr Stephen Loughnan.

2015-9  BERTLICH, Maya Tabea Josefine
A healthy ageing study introducing a novel animation-based measurement tool of social cognition: The Social Scenario Questionnaire.

Professor Sharon Abrahams.
2015-10  BIKOU, Elena
The role of personality and intelligence in the influence of alcohol and drug dependence on depression.

Dr Wendy Johnson.

2015-11  BINDEL, Gabriel
Intelligence, personality, motivation and parental expectations: mediating factors in the relation between children’s socioeconomic background and academic achievement.

Dr Wendy Johnson.

2015-12  BLACK, Katherine Morag
Investigating the effect of semantics on children’s immediate versus delayed recall in sentence imitation tasks.

Dr Morag Donaldson.

2015-13  BOULTER, Matthew
Personality differences in athletic and non-athletic populations: investigation of personality traits and states.

Dr René Möttus

2015-14  BRAY, Kirsty M
‘There’s no art to find the mind’s construction in the face’. (Shakespeare 2009: 1.4.12) Proving Shakespeare wrong: can children be taught in the art of facial expression of emotion recognition?

Dr Leonidas A A Doumas.

2015-15  BRENNAN, Tanya
National identity in young adults following the Scottish Independence Referendum: a discursive approach.

Dr Sue Widdicombe.

2015-16  BRIDGES, Ailsa
Social cognition and ageing: are levels of social engagement associated with social cognitive functioning in old age?

Dr Sarah MacPherson.

2015-17  BRIGGS, Jessica M N
The effect of social engagement and healthy adult ageing on social cognition in later life.

Dr Sarah MacPherson.

2015-18  BUCHAN, Kimberley
Emotion words enhance linguistic encoding: an application of the change-detection paradigm.

Dr Martin Corley.

</table>
2015-29  CLEMENTS, Fiona Angela
Scaffolding teachers' interaction with children via the application of Emotion Works within the classroom.

Dr Morag Donaldson.

2015-30  COMES, Aurelie
The relationship between executive functions, creativity, and learning in young children.

Dr Nicholas Chevalier.

2015-31  CONNACHAN, Cara
The role of phonological prediction in children’s language comprehension and language development.

Dr Hugh Rabagliati.

2015-32  COWAN, Briony
The effect of sleep on suppression from awareness: does exposure to continuous flash suppression reduce the effect of backward masking?

Dr David Carmel.

2015-33  COWIE, Amy Louise
Can attentional bias modification increase healthy eating?

Dr Emily Newman & Dr Elena Gherri.

2015-34  DAVIDSON, Lara M
The Objectification and sexual mistreatment of women through the eyes of pornography consumers.

Dr Stephen Loughnan.

2015-35  DILLON, Sophie
Using information-based interventions, what most incentivises people to reduce their current level of meat consumption?

Dr Adam Moore.

2015-36  DUNCAN, Claire
Let me take a selfie: an investigation into who takes selfies and why.

Dr Wendy Johnson.

2015-37  EAGLESHAM, Sarah
‘I feel like I probably won’t continue to do it after university?’ A phenomenological exploration of the ‘one night stand’ in an undergraduate community.

Dr Billy Lee.

2015-38  ELDER, Laura Rachel
The derogation of women’s self-perceptions as a result of objectification.

Dr Stephen Loughnan.
2015-39  ELKIN, Eilidh Frances
A quasi meta-analytic approach to investigating the relationship between facet-level personality and criminal behaviour.

Dr René Möttus.

2015-40  FALLA, Lauren
Healthy neuroticism: an interaction between conscientiousness and neuroticism in predicting health outcomes.

Dr Tom Booth.

2015-41  FENN, Georgina
Childhood predictors of drinking behaviour at age 50.

Dr Catherine Gale.

2015-42  GARDNER, Sarah
The subjective cost of cognitive effort during childhood: does it relate to individual traits or cognitive control engagement.

Dr Nicholas Chevalier

2015-43  GIBB, Rachael
Insecure attachment and eating psychopathology in late adolescence: the mediating role of perfectionism and emotion regulation.

Dr Emily Taylor.

2015-44  GOULANDRIS, Georgios
Investigating the effect of intranasal oxytocin on the use of social language in male adults with and without Autism Spectrum Disorder.

Dr Bonnie Auyeung.

2015-45  GRAHAM, Christopher J
Pain imagery in women with Endometriosis: prevalence and characteristics.

Professor Sharon Abrahams and Dr Shona Brown.

2015-46  GREEN, Amy
Cognitive differences in a sample of simultaneous and sequential Welsh-English bilinguals.

Dr Thomas Bak.

2015-47  GREGOR, Simon
The role of proprioception and vision in the automatic coding of the Tactile Simon Effect.

Dr Elena Gherri.

2015-48  GRIGOROVA, Monika Tsvetanova
The effects of late non-proficient bilingualism on executive functioning.

Dr Thomas Bak.
2015-49  **GUNDERSEN, Tale Winsvold**  
The effect of age and visual context on the recognition of facial expressions of emotion.  
Dr Sarah MacPherson.

2015-50  **HAMILTON, Naomi**  
The spontaneous discourse of student loans and overdrafts: a discursive study.  
Dr Sue Widdicombe.

2015-51  **HARTLEY, Christopher**  
The contribution of athleticism and personality to pain tolerance in sporting contexts.  
Dr Wendy Johnson.

2015-52  **HARVEY, Nicola**  
Carers, identity and community: a discursive psychological analysis. How do carers form a community (if they do so) and construct their identity within online support groups?  
Dr Sue Widdicombe.

2015-53  **HAUSER, Eva**  
Exploring the lived experience of growing up with a depressed parent: an Interpretative Phenomenological Analysis.  
Dr Billy Lee.

2015-54  **HELIE, Jennifer**  
Workplace objectification: the mediating effect of self-objectification and impact on social engagement.  
Dr Stephen Loughnan.

2015-55  **HELLIWELL, Alice C**  
Syntactic alignment as a potential predictor of Schizophrenia development in high-risk individuals.  
Dr Thomas Bak.

2015-56  **HENNIKER-HEATON, Alex**  
The involvement of high-level brain regions in visual awareness: effects of transcranial direct-current stimulation (tDCS) of the superior parietal lobe on binocular rivalry.  
Dr David Carmel.

2015-57  **HIEKKARANTA, Anu**  
Polysemy and generative structures underlying noun-verb relations in the language development of 2 year-olds.  
Dr Hugh Rabagliati.
2015-58  HILL, Saskia
Predicting Schizophrenia: an automatic approach to identifying linguistic markers of mental disorder.
Dr Thomas Bak.

2015-59  HINDS, Isabel Jean
Oxytocin and its effects on social communication.
Dr Bonnie Auyeung.

2015-60  HONEYMAN, Rachael
Carers, community and identity: a discursive psychological analysis of an online support group for carers.
Dr Sue Widdicombe.

2015-61  HRISTOVA, Reni
The morality of scarcity and abundance.
Dr Stephen Loughnan.

2015-62  IRVINE, Mhairi
Children’s recognition of emotion from vocal cues.
Dr Morag Donaldson.

2015-63  ISRAFIL, Khadejsha
Children’s recognition of non-linguistic vocal emotion: developmental patterns and task type effects.
Dr Morag Donaldson.

2015-64  JENG, Oon Yee
Positive wellbeing and health: a three-year prospective study.
Dr Catherine Gale.

2015-65  JONES, David
Testing evidence for a collective intelligence factor in the performance of human groups.
Professor Tim Bates.

2015-66  KAPS, Marju
The effect of presentation rate on positive and negative quantifier processing.
Dr Mante Nieuwland.

2015-67  KLIMOVA, Michaela
The effect of predictive context on perceptual selection at the onset of binocular rivalry.
Dr David Carmel.
KOPPEN, Philip Kay
Examining the role of inhibition in cognitive reflection and expanding the cognitive reflection test.
Dr Leonidas Doumas.

KOZHUHAROVA, Petya
Investigating lie detection accuracy in the context of implicit measures and personality traits – a replication study.
Dr Tom Booth.

KROUPIN, Ivan
Thinking “big” is acting “big”: an action-oriented account of dimensional concepts.
Dr Hugh Rabagliati & Dr Alex Doumas.

LACO, Dávid
‘I expect it to be great... but will it be?’ an investigation of outcomes processes and moderators of a school based mentoring program.
Dr Wendy Johnson.

LANDBERG, Sara J
The involvement of high-level brain regions in visual awareness: effects of Transcranial Direct Current Stimulation (tDCS) of the superior parietal lobe on binocular rivalry.
Dr David Carmel.

LARSSON, Rebecka Claudia
How differences in moral intuition, personality and intelligence predict attitudes towards contentious issues.
Dr Adam Moore.

LEONARD, Niamh
Investigating the effect of semantics on children’s immediate versus delayed recall of sentences
Dr Morag Donaldson.

LEVI, Hannah
Don’t jump the gun: the elusive nature of self-control.
Professor Tim Bates.

LEWIS, Alexander A
Professor Tim Bates.

LEWIS, Arbell E
The association between conscientiousness and religiosity seen at facet level across cultures.
Dr René Mõttus.
2015-78  LIDDLE, Ashton  
Somatotopic and external representations: using the Simon Effect Task in the Tactile Modality.  
Dr Elena Gherri.

2015-79  LISOWSKA, Adrianna  
Moderating impact of product category and gender in goal framing effect.  
Dr Martin Corley.

2015-80  LOGAN, Andrew  
Validation of the Edinburgh Cognitive and Behavioural ALS Screen in patients attending a young onset dementia service.  
Professor Sharon Abrahams.

2015-81  LUMSDEN, Megan  
Evaluating a Scottish school-based counselling service.  
Dr Richard Shillcock.

2015-82  MCBRIDE, Emma  
Childhood intelligence and adult personality as predictors of drinking behaviours at age 50.  
Dr Catherine Gale.

2015-83  MCCUSKER, Caitlin  
‘We were a sort of spaceship, flying through space’: growing up with a depressed parent: an Interpretative Phenomenological Analysis.  
Dr Billy Lee.

2015-84  MCELROY, Ruth  
Don’t jump the gun: the elusive nature of self-control.  
Professor Tim Bates.

2015-85  MCGHEE, Jamie  
The role of cognitive effort in retroactive interference.  
Professor Sergio Della Sala.

2015-86  MACGREGOR, Chris  
The effects of false suggestions on belief, criminal intention, and morality.  
Dr Kathy Charles and Dr Wendy Johnson.

2015-87  MACKAY, Kathryn  
The impact of additional training on scaffolding teachers’ knowledge of emotional understanding.  
Dr Morag Donaldson.
2015-88 **MCKEE, Cameron**  
The facilitation of visual processing in scenes: effects of phase noise.  
Dr Antje Nuthmann.

2015-89 **MACTAGGART, Kirstin**  
Adolescents’ construction on national identity in the context of the Scottish Independence Referendum: a discursive analysis.  
Dr Sue Widdicombe.

2015-90 **MAKRI, Anastasia Gemenetzi**  
Living with autism, a blessing and a curse: parents’ lived experience of raising a child with Autism Spectrum Disorder: an Interpretative Phenomenological Analysis.  
Dr Billy Lee.

2015-91 **MARINER, Paris N**  
Exploring colour learning in children: the effects of order of instances and familiarity.  
Dr Alex Doumas.

2015-92 **MARR, Calum**  
The moral roots of British politics: using moral foundations, intelligence and personality to explain opposing attitudes towards divisive political issues.  
Dr Adam Moore.

2015-93 **MARSHALL, Millie Rose**  
The effect of late, non-balanced bilingualism on auditory and visual executive control.  
Dr Thomas Bak.

2015-94 **MATTHEW, Claire**  
Colour learning in children: the effect of progressive alignment and object familiarity.  
Dr Alex Doumas.

2015-95 **MORRISON, Annette**  
Opiate substitution treatment: comparing the cognitive abilities of patients prescribed Suboxone or Methadone and examining the relationship between dose and duration of dose on performance.  
Dr Sarah MacPherson and Dr Rebecca Lawrence.

2015-96 **NISHAT-BOTERO, Tania**  
Terror management theory and sexual objectification.  
Professor Martin Pickering.
2015-97 O’BRIEN, Eimhear
‘We are his world’: an investigation into the lived experience of parenting a child with Autism Spectrum Disorder using Interpretative Phenomenological Analysis.

Dr Billy Lee.

2015-98 O’GORMAN, Carl
Saccadic facilitation via spatial frequencies.

Dr Antje Nuthmann.

2015-99 ORR, Alison
Spontaneous discourse on student debt.

Dr Sue Widdicombe.

2015-100 PAGE, Danielle
Associations between mental well-being and physical health in the UK household longitudinal study.

Dr Catherine Gale.

2015-101 PEACOCK, Malcolm
The effect of healthy adult aging and visual context on the recognition of facial expressions of emotion.

Dr Sarah MacPherson.

2015-102 PEDRI, Katie Rae
An investigation into identity formation at university and its association with psychological well-being.

Dr Wendy Johnson.

2015-103 PETESCH, Gabriel
Increased attention alone is not sufficient to counteract the lexical bias in interpreting pronunciation variation.

Dr Martin Corley.

2015-104 PHIPPS, Georgina H D
The role of perfectionism: does it mediate insecure attachment and depression?

Dr Emily Taylor & Dr Catherine Gale.

2015-105 PRATUSEVICIUTE, Viktorija
Development of working memory: investigating the visuospatial bootstrapping effect in relation to rehearsal.

Dr Candice Morey.

2015-106 PRONIN, Savva
Edinburgh Motor Assessment (EMAS) Validation: motor function and cognition in the healthy population.

Dr Thomas Bak.
2015-107  PTAKAUSKAITE, Nora
Improving flexible rule use with video games.
Dr Alex Doumas.

2015-108  RAMSAY, Eleanor Lynn
Can children hear emotions? The role of intonation in children’s emotion word learning.
Dr Morag Donaldson.

2015-109  ROBSON, Lee
Dependence of long-term memory in visuospatial bootstrapping: an eye tracking paradigm.
Dr Candice Morey.

2015-110  SAMPSON, Cordelia
A cross-cultural comparison of executive functions of children in the UK and Uganda.
Dr Nicolas Chevalier.

2015-111  SAVOVA, Snezhana
Exploring the link between individual differences and the creativity in the teaching of lecturers at the University of Edinburgh.
Dr Tom Booth.

2015-112  SERLIN, India
Emotional eating and emotion regulation strategies in young adult males.
Professor Tim Bates and Dr Emily Newman.

2015-113  SKVARNAVICIUTE, Rugile
Effect of practice on distractor processing under load.
Dr David Carmel.

2015-114  SLATTERY, Brydne
The effect of framing on product choice: role of involvement and risk.
Dr Martin Corley.

2015-115  SMITH, Jenny
Speaker disfluency and listener judgements of confidence: a horseracing example.
Dr Martin Corley.

2015-116  SPANIKOVA, Sandra
Reducing meat consumption: an information-based intervention.
Dr Adam Moore.
