2017 Undergraduate Honours Dissertations.

2017-1 ANDERSON, Rachel
Does age matter? Investigating the differences in response method and confidence ratings when performing the Cognitive Estimation Task (CET)

Dr Sarah MacPherson

2017-2 BESWICK, Emily
The Southern gentleman or the modern sexist? An analysis of regional variation in the heterogeneity of sexist beliefs.

Dr Steve Loughlan

2017-3 BOCZOR, Carla
‘Public wi-fi is unsecure – so what?’ Factors that influence users’ preventive and maladaptive behaviours in a public network context.

Dr Wendy Johnson.

2017-4 BODDEN, Kelsey Elizabeth Nicole
Friend or foe? Investigating the role of personality in dyadic relationship structure of common squirrel monkeys (Saimiri sciureus).

Dr Alex Weiss

2017-5 BOUHOUR, Marie
Effects of prosocial and antisocial behaviour on language imitation.

Professor Holly Branigan.

2017-6 BRIDGWOOD, Mel
Mindful or mind full? How mindfulness affects motivation towards weight loss.

Dr Tom Booth.

2017-7 BRUCE, Stephanie
Boundary extension: an illusion of visual memory.

Dr David Carmel.

2017-8 BUTALIA, Radhika
Personality traits of athletes in the UK and India.

Dr Wendy Johnson

2017-9 CAIRNS, Lisa
Boundary extension: seeing beyond the boundaries of an image

Dr David Carmel,

2017-10 CAMUS, Lorna
Making public the traditionally private: how do people talk about mental health in online vlogs?

Dr Sue Widdicombe

2017-21  
**DOWIE, Jessica**  
Dr Bonnie Auyeung.

2017-22  
**DUNN, Max**  
'I get by with a little help from my content prediction mechanism’: examining the use and separability of content and length predictions for turn taking in Mandarin Chinese – a question answer study.  
Professor Martin Pickering.

2017-23  
**EDIRISOORIYA, Monisha**  
is intelligence associated with the presence of internalising traits in adolescents with autism spectrum disorder: a meta-analysis.  
Dr Bonnie Auyeung.

2017-24  
**EDREV, Christo**  
Economic cognitive control use during learning in children and adults.  
Dr Nicolas Chevalier

2017-25  
**EMSLIE, Nicole**  
A developmental comparison of the relationship between executive functioning and the efficiency of disengagement of PFC activity during novel skill acquisition.  
Dr Nicolas Chevalier.

2017-26  
**EON, Kelly Lee Jee**  
Exploring within-individual personality variability in daily occurrences across four different cultures.  
Dr René Möttus.

2017-27  
**EVANS, Rhian A D**  
Reviewing ambiguity: a discourse analytic study of ‘mind reading’ reviews.  
Dr Peter Lamont

2017-28  
**FEARNLEY, Ellen**  
What do dyslexics’ inner voices sound like?  
Dr Martin Corley.

2017-29  
**FINDLAY, Katy**  
Top-down effects in distorted speech perception in adults, children and second-language learners.  
Dr Hugh Rabagliati

2017-30  
**FODSTAD, Oda**  
Exploring the antecedents of environmental behaviour in the workplace: testing a framework for organisational citizenship behaviour towards the environment and energy consumption.  
Dr Kasia Banas.
2017-31  FRETWELL, Janey
The impact of personality on the risk of developing chronic disease.

Dr Catherine Gale

2017-32  FREW, Ailsa
The ideal mother, and what she means for real women: a qualitative analysis of the accounts and experiences of women and health professionals.

Dr Richard Shillcock.

2017-33  FYFE, Alison
‘It’s not a very normal thing to have a gay dad.’ Exploring adult children’s understandings of growing up with a gay father: an interpretative phenomenological analysis.

Dr Billy Lee.

2017-34  GORRIE, Katie
Parenthood and autism spectrum condition: a study into the mental health, quality of life and support networks for parents with autism spectrum condition (ASC).

Dr Bonnie Auyeung.

2017-35  GRADY, Catriona M
Internet use and personality: investigating how personality traits and trait interactions influence the use of different internet services.

Dr Michelle Luciano.

2017-36  GRANT, Rebecca
Exploring the relationship between Alexithymia and empathy: is alexithymia of HFA/AS predictive of poor empathy?

Dr Bonnie Auyeung.

2017-37  HAO, Ruohong
Investigation of extraversion, anonymous participation in social media use, and social confidence and social satisfaction.

Dr Wendy Johnson

2017-38  HARRINGTON-EDMANS, Francesca
‘It’s there, it’s real and it’s deserving of some sort of support’. Blogging: creating time and space for mental health.

Dr Billy Lee

2017-39  HENDERSON, Lauren
Within-individual variability of personality characteristics in couples: are they synchronous in their variations?

Dr René Möttus

2017-40  HENDERSON, Tara
‘I heard it through the grapevine…’ : the way we listen to music and why.

Dr Alex Weiss.
2017-41  
HENNIKER-HEATON, Toby  
Intergroup contact as a predictor of dehumanisation, meta-dehumanisation and discrimination of Moroccans in Belgium.  
Dr Steve Loughlan.

2017-42  
HIM, Steve Kam Chi  
Cognitive control, personality, and negative emotion. Big Five personality traits, emotion regulation and negative emotions as predictors of cognitive control.  
Dr Nicolas Chevalier.

2017-43  
HO, Sam U  
Exploration of the relationship between aging and cueing on associative recognition.  
Dr Alexa Morcom.

2017-44  
HUNTER, Kellie Anne  
Dr Sarah MacPherson.

2017-45  
HUTLEY, Tilly  
An exploration of post-traumatic stress disorder within the military: what differentiates military PTSD.  
Dr Richard Shillcock.

2017-46  
JABER, Alexandra  
Exposure to war-related traumatic events in Lebanon and its effect on psychological well-being.  
Dr Bonnie Auyeung.

2017-47  
JACOUT, Chloe  
The aetiological and predictive factors of personality within PTSD: investigating characteristics that create resilience and vulnerability to stress.  
Dr Richard Shillcock.

2017-48  
JINDAL, Priya Anna  
Children’s linguistic knowledge; what role do lexical recognition and lexical prediction play?  
Dr Hugh Rabagliati

2017-49  
JOHNSTON, Hayley  
Investigating the effect of cognitive load on moral judgement.  
Dr Adam Moore.

2017-50  
JOHNSTONE, Emma  
An investigation into the development of alexithymia in children aged 5-12 years old: the role of empathy, parent alexithymia and parenting styles.  
Dr Bonnie Auyeung
2017-51  JONES, Charlotte
How do contemporary female leaders respond when their gender is made relevant in the media?

Dr Sue Widdicombe.

2017-52  JONES, Stephen Andrew Eason
Combatting the prevalence of unscientific bullshit: source credibility and the detection of inappropriate explanations in the context of bullshit receptivity.

Dr Adam Moore.

2017-53  JOPE, Amy
Age related differences in cued source memory tasks.

Dr Alexa Morcom.

2017-54  JU, Shuyan
Would metacognitive interactions with puppet increase the benefits of a working memory practice? A debut of metacognition to working memory practice.

Dr Nicolas Chevalier and Dr Bonnie Auyeung.

2017-55  KALapos, Eszter
A discursive psychological analysis of post-Brexit discussions: the role of moral conviction.

Dr Sue Widdicombe.

2017-56  KASSER, Sven
Ruling by force, leading by example: explicit power motives predict prosocial cooperation in simulated economic hierarchies.

Dr Steve Loughlan.

2017-57  Kern, Theresa
Unmasking the sexualised-body-inversion hypothesis: the engagement and expression of sexual objectification amongst the Japanese and British.

Dr Steve Loughlan

2017-58  King, William
Working memory: investigating asymmetrical interference with dual-task designs.

Dr Candice Morey

2017-59  KURODA, Shoko
Associations between cognitive ability, personality, and psychological distress over a two-year period: evidence from ‘Understanding society: the UK household longitudinal study’.

Dr Catharine Gale
LATHAM, Mary
Self-objectification and social networking sites: are the objectifying images on social networking sites a consequence of self-objectification?

Dr Steve Loughlan

LAWLOR, Ryan
Investigating the role of morality in Brexit: a discursive psychological approach.

Dr Sue Widdicombe.

LAWTON, Olivia
Lost in translation: cross-linguistic influence on phonological contrasts: investigating the phonemic similarity effect to highlight articulatory information in inner speech.

Dr Martin Corley.

LI, Jia
Investigation of the relationships between extraversion, social confidence and satisfaction, and anonymous participation in SNS.

Professor Wendy Johnson

LIU, Shujuan
The occurrence and time window of involuntary imitation in strategic contexts: players of the matching pennies game unintentionally imitate opponents’ gestures.

Dr David Carmel.

LU, Baihan
Priming relations of nominal combinations with lexical repetition: replicated evidence in Mandarin Chinese.

Professor Holly Branigan.

MCCABE, Laura
A linguistic and thematic comparison of an adolescent female’s diaries as she progressed towards suicide.

Dr Richard Shillcock and Dr Alison Harper.

MCCLEN, Elizabeth
Personality variation in couples: similarities and situational differences.

Dr René Möttus

MCDOUGALL, Megan
An investigation into the emergence of themes in a diary written prior to the completion of suicide.

Dr Richard Shillcock
