Items to be returned to the MBChB Admissions Office (UK/EU applicants)

The following items must be returned to the MBChB Admissions Office by 30th June if you choose us as your firm choice, otherwise we cannot confirm your place.

- **Original** Exam certificates
- **Original** Birth Certificate  (full not shortened)
- Passport photograph certified by a professional (if we have not seen you in person), signed and stating it is a true likeness of you.
- PVG Scheme Enhanced Disclosure Scotland form with payment and supporting documentation*#
- Verification of non-academic achievement, ONLY once you have been requested to provide this via a clearance check

Please send a return addressed registered envelope for us to return your original documents. Please note if the stamped addressed envelope is not for the correct postage then the Admissions Office will hold onto the documents until you arrive in September.

Please ensure that you use stamps rather than a pre-paid white label on the return envelope as the date on these will have expired by the time we mail them back and the Post Office will not accept these.

* Deferred applicants can send a completed PVG Disclosure Scotland form at this point but if you are travelling, we may accept this at a later date at our discretion. Contact us for confirmation.
# If you are an EU student and have not lived in the UK before, we will not be able to undertake a disclosure until you have a UK address, so you will need to obtain a certificate of good conduct instead.
