

Employed on Campus 2018 Internship Case Study

David Wheatley
2nd year Linguistics student

What was your internship?

College Festival Projects Intern, CAHSS

Description of your role and responsibilities

Assisting the Head of Stakeholder relations in organising and liaising with Festival events (EIFF, EIF, Fringe, EIBF, etc.) which were sponsored by the university, involved university staff and/or advanced the university's strategic priorities.

What interested you in this specific role?

The opportunity to work on professionally organised events with the backing of a large, well-organised institution. The opportunity to work alongside skilled and capable people.

How have you benefited from this experience?

I have learned how to work in professional environments, and what areas of the academic world I find most interesting and inspiring, in terms of a future career.

What advice would you give to future interns?

Take all the opportunities put in front of you, you may be surprised, but also be discerning about your choices.
