

Edinburgh Summer School in Clinical Education

13th -17th August 2018

Are you enthusiastic about helping clinicians learn? The Summer School helps you develop the skills, knowledge and confidence to lead change and improve education for the benefit of students and patients.

Join clinical educators from around the world for a week of interactive, practical and theoretical sessions around teaching, learning and assessment.

Sessions (Draft Program)

Monday 13th	Learning needs and professional development Clinical teaching
Tuesday 14th	Lecturing Interactive teaching methods
Wednesday 15th	Writing and evaluating questions and exams Principles and practice of good assessments
Thursday 16th	Objective structured clinical examinations (OSCE) Workplace based assessment
Friday 17th	Mentoring and appraisal Designing and evaluating courses
Social programme includes reception and dinner	

In 2017, participants said:

“ An excellent course ”

“ A really engaging week...with a consistency of quality, delivery and participation that made the week flow so well ”

“ ...very enjoyable and engaging... ”

“ ...very relevant to my teaching role and delivered by enthusiastic tutors with good interactive sessions. ”

“ This was a brilliant week – thank you so much to all the tutors and staff ”
