

Edinburgh Summer School in Clinical Education

10th -14th August 2020

Are you enthusiastic about helping clinicians learn? The Summer School helps you develop the skills, knowledge and confidence to lead change and improve education for the benefit of students and patients.

Join clinical educators from around the world for a week of interactive, practical and theoretical sessions around teaching, learning and assessment.

Sessions (Draft Programme)	
Monday 10th	The teacher and the learner
	Clinical teaching
Tuesday 11th	Lecturing
	Interactive teaching methods
Wednesday 12th	Writing and evaluating questions and exams
	Principles and practice of good assessments
Thursday 13th	Objective structured clinical examinations (OSCE)
	Workplace based assessment
Friday 14th	Psychological approaches to supervision
	Designing and evaluating courses
Social programme includes reception and dinner	

In 2019, participants said:

“ Generally very well structured and delivered ”

“ Interactive sessions particularly useful...whole course very good ”

“ Really enjoyed the course and learnt a lot, will be recommending to others ”

“ Really enjoyable interactive week...Feeling inspired to put the new knowledge into practice ”

“ ...it was fun and great to meet so many other clinical educators from around the world. The speakers were all of a very high standard and I learnt so much...”

Book by 31st May for early bird £750, until 31st July for the full price £800
