

# JOIN SEARCH OF GRATITUDE

May I show to you  
your gift, the

most beautiful  
contribution of deepest generosity  
and joy you give to the  
world, heavy

with all that makes you,  
you:

pain and joy,  
love and hope, formed into  
values and talents,

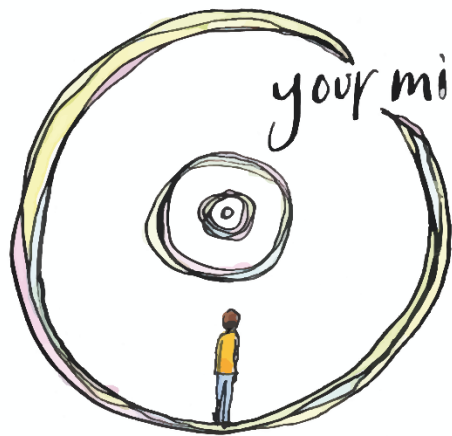

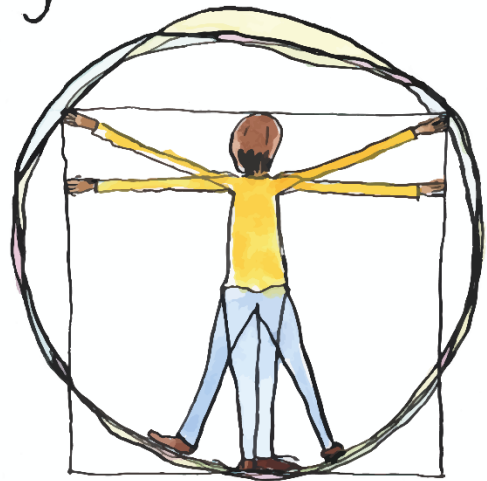

courage and wisdom,  
the consummation of

a journey you are yet  
to begin, we travel to  
your past to see how this began

○ From all that you are and all that you have, notice how it grows when you come to the end of looking and begin to see.

It is limitless as long as you continue opening your mind and your heart and your will, becoming more imaginative, creative, generative.

So you grow more from less, something made possible as you embraced

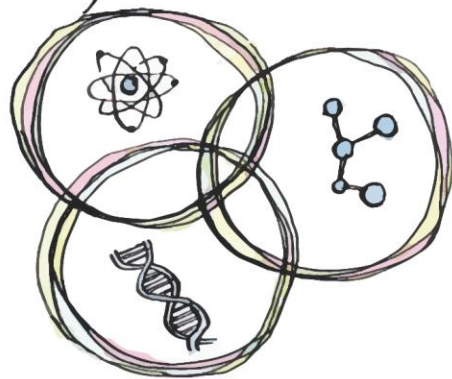

your wholeness,  
discovered  
as you connected with  
others and with  
the earth: you are  
more than enough, born of  
interdependence.

This is no accident,  
but a consequence of coming to  
see your true self and  
all that you have  
without blur or  
hesitancy.

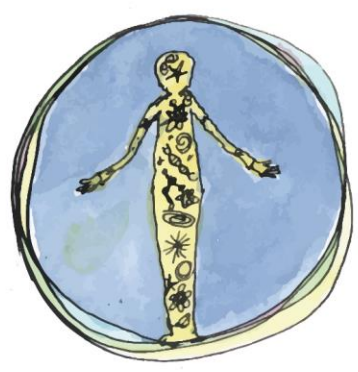

your senses overcome  
by clarity, revealing a  
universe for exploring, replete  
with physics, chemistry and  
biology;

with people so  
different, creatures so  
wonderful, nature so  
beautiful,

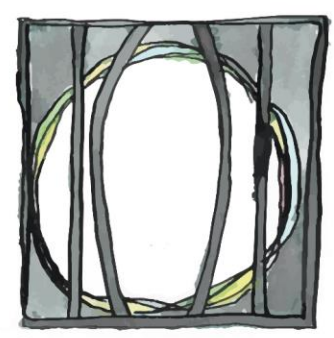

all yours without  
need to possess, a  
playground to access, and you are  
simply grateful.

And your life became  
the universe within, replete  
with curiosity and  
fascination and imagination,  
talents quite remarkable,  
wisdom unfathomable, and  
courage unperturbable,

all yours without  
need to  
withhold, a playground  
with a free pass, and  
you are  
simply grateful.

• Here you are, life  
wide open,  
in gratitude,  
beginning.

May I show to you  
your gift, the  
most beautiful

contribution of deepest generosity  
and joy you give  
to the world,

heavy with all that  
makes you,  
you?
