UNIVERSITY OF EDINBURGH
Request for Complaint Investigation

Information for students and members of the public

This form should be used if
- You have a complaint about a University matter which you have not been able to resolve directly with the area responsible for the issue
- You are a student with a complaint about another student(s)
- You are a student with a complaint about inappropriate behaviour by a staff member

Before completing this form, please read the guidance at www.ed.ac.uk/university-secretary-group/complaint-handling-procedure.

If you have relevant documentary evidence to support your complaint, please submit it with this form. Evidence should be as concise as possible and relevant to the complaint. Unreasonable quantities of evidence or evidence which is deemed not to be relevant to your complaint may not be considered. Investigation of your complaint will not commence until you confirm that your supporting documentation is complete; please see section 3 of the form.

The complaint form and any supporting documents will be seen by the person investigating your complaint, and may be seen by anyone named in the complaint and by relevant staff in the department(s) being complained about. Where sensitive issues are raised, for example in a complaint about another student, we will redact your contact details as necessary.

Information for students only

If you are a student (or recent student), we strongly encourage you to speak to the Advice Place before completing this form. The Advice Place is an independent service run by the Students’ Association, and staffed by professional advisers with experience of supporting students with complaints. An adviser at the Advice Place can:

- help students to decide whether making a complaint is the best course of action, or whether another procedure may be more appropriate
- explain how the complaint procedure works, and what the potential outcomes may be
- read drafts of any correspondence students write to the University (including complaint forms), to help students make their case as clearly as possible
- support students at any meetings they attend with University staff in relation to their complaint if requested.

Students can contact the Advice Place in person at either of their offices in Potterrow or King’s Buildings House, via email at advice@eusa.ed.ac.uk, by phone on 0131 650 9225, or online at www.eusa.ed.ac.uk/advice
