Take away messages

• Individuals, teams, organisations & work – performance & well-being
• As always – networking is key!
• Use professional bodies to help develop career where appropriate
• Related to psychology, many other disciplines, areas of expertise
• Contact us here at University of Edinburgh Business School
• HR and OP overlap, but also have some complementary differences
• Working with or in academia is also an option! (PhD, lecturing, research)
• OP academics in universities tend to be in business/management schools
