Photography competition 2019
Changing Edinburgh

Information about you: how we use it and with whom we share it
The information you provide will be used by the University to process your entry into the competition, to credit your image if it is published, and to process judging and prizes.

The University uses an external company to administer the competition. We use an app called Easypromos, via Facebook to process entries to the competition. The app collects your data on the University’s behalf; your photo entry, name, country of domicile, student number and a caption for your photo.

You can find privacy notices for our data processors are here:
www.facebook.com/policy.php
www.easypromosapp.com/privacy-policy

We are using information about you because you have given us your consent when you entered the competition.

Information about you will be shared with our competition partners, but only if your photo entry is to be published, to allow them to credit your work. Our partners are The Scotsman and Jessops.

We will hold personal data you provided us with indefinitely, or until you withdraw consent - your photo entry, name, country of domicile and caption will be held so that your work can be published and credited in line with the terms and conditions of entering the competition. Your student number will be held for 1 year.

We do not use profiling or automated decision-making processes.
