

Assessment and Feedback Enhancement Working Group

Remit and Membership

Remit

- To act in an advisory capacity to the Assistant Principal Assessment and Feedback to support their role in giving additional focus, leadership and drive on further improvements to the University's practices of assessment and feedback.
- To discuss and align University, College and School assessment and feedback priorities.
- To receive and consider reports on the Leading Enhancement in Assessment and Feedback (LEAF) project activity, advise the Project Team, guide the project, and monitor impact.
- To advise Learning and Teaching Committee on assessment and feedback matters.
- To act as a forum for discussing assessment and feedback developments across Colleges, academic and support services and Edinburgh University Students' Association.
