Primary Schools

Curriculum for Excellence in Primary and Early Years – Innovation for Effective Practice

6 November 2015

Keynote school based speakers will highlight and share innovative and effective Curriculum for Excellence (CfE) practice from their schools, share materials and approaches and work with participants on effective strategies to respond to key CfE challenges

Leadership for Powerful Learning in Primary and Early Years

20 May 2016

Practical insights from leading practitioners into leadership behaviours that improve pupil learning and create leadership capacity across the school

Secondary Schools

Curriculum for Excellence – Leading for Improvement

30 October 2015

Examples of good practice in leading Curriculum for Excellence in Scottish secondary schools providing an overview of key leadership issues and a range of potential solutions

Curriculum for Excellence – Supporting Learners and Learning

13 November 2015

Practical approaches to organising support within CfE with exemplars of successful secondary school approaches

Timetabling Curriculum for Excellence: From Design to Template

27 November 2015

Practical insights into the key issues with examples of timetabling models which maximise the impact of Curriculum for Excellence

Curriculum for Excellence – Senior Phase: Improving Learning and Achievement 11 December 2015

Practical insights into the key issues involved in successfully implementing the Senior Phase with examples of single-school, multi-school and wider partnership approaches

Curriculum for Excellence – Interdisciplinary Learning

5 February 2016

Practical insights into the key issues involved in successfully developing Interdisciplinary Learning (IDL) in Scottish secondary schools with practical exemplars

Curriculum for Excellence – Maximising the Broad General Education 26 February 2016

Practical insights into how secondary schools are now developing curricular strategies and teaching approaches to improve pupils' learning and achievement in the first three years of secondary education

Curriculum for Excellence – Evaluation and Quality Assurance for Improvement 11 March 2016

Insights into what evaluation by schools, authorities, HMI and researchers tells us about emerging issues in implementing CfE with practical examples of evaluation and quality assurance approaches to support improvement through CfE

Curriculum for Excellence – Senior Phase: Responding to the Wood Report 18 March 2016

Insights into how the Wood Report recommendations can be combined with the potential of the Senior Phase of CfE to develop innovative partnerships, enhance learner pathways and improve achievement for all learners

All Schools - All Teachers

Preparing and Applying for Senior Leadership Positions

Course 1: 20 November 2015

Course 2: 26 February 2016

Intensely practical preparation for managing interviews in a safe and confidential environment

Improving Performance
