EDINBURGH AWARD 2020/21

Sports Union Volunteers

Introduction

The Sports Union's (SU) volunteers version of the Edinburgh Award focuses on experiences gained through volunteering as part of an SU volunteer role, whether as part of a club, the SU in general, or intramural. Our aim is to help you use these experiences to stand out from the crowd through the Edinburgh Award - a programme that wraps around these experiences and allows you to get official recognition for your involvement while helping you get the most out of your time as a SU volunteer.

The course will consist of three inputs, three submissions and two peer assessments. All aspects of the award are essential to the completion of the award. To find out more about the Edinburgh Award in general, click here.
