## HIKE FOR HUMANITY - a fundraising adventure

We at Edinburgh Friends of MSF (Doctors without Borders) would like to tell you about an exciting opportunity you can get involved in this summer.

We are organising the nation's second HIKE FOR HUMANITY - a fundraising adventure that started here in Edinburgh and has already involved other universities around the UK, and this year we are hoping to make it even bigger!

HIKE FOR HUMANITY is a 180km long-distance trek across the French island of Corsica. The trial is known as the GR20 and is said to be Europe's toughest hike. It took the Edinburgh-King's College London team in summer 2013 fifteen days to complete it and needless to say it was a formidable challenge! We raised over £6000 for MSF, one of the most far-reaching humanitarian charities in the world.

This adventure is both for experienced walkers and for those spirited souls who want to give hiking a go and have a lot of courage! It is certainly an experience of a lifetime and we warmly encourage you to join us for HIKE FOR HUMANITY 2014!!

We are holding an information evening on **Thursday 24th October, Appleton Tower Lecture Theatre 1 at 6.45pm.**

Please come along to find out more about the hike and if you want to - how you can get involved!
