Meeting your Personal Tutor

You can find out who your Personal Tutor is on MyEd and the arrangements for the initial meetings with them will be emailed to you soon.
https://www.myed.ed.ac.uk/

School Notebooks

We have produced some School notebooks which contain information about support systems in the University and details of our students' favourite societies as well as pages for you to take notes in lectures etc.

Please note that these are the 'old-fashioned' paper notebooks - not the high tech sort. You can collect them from your Personal Tutor or from the School Office.

Weekly Newsletter

We send this newsletter to of all our students weekly. It contains information about events, opportunities, competitions and anything else we get asked to pass onto you all. You will probably find it of more direct use in later years (internships, career opportunities etc.) but it will still (hopefully) be interesting in the meantime.

You can see previous editions at: http://www.ed.ac.uk/schools-departments/economics/current-students/current-undergraduates/newsletter

Do feel free to unsubscribe if you don't want to carry on receiving it. (let us know at study.economics@ed.ac.uk)
