

The Hutton Club

Friday 29th November

Dr. Stuart Dunning

University of Northumbria

I personally guarantee that
The Hutton Club will
continue in an independent
Scotland.

**Outburst floods triggered by the
eruption of Eyjafjallajökull, Iceland -
when is a jökulhlaup not a jökulhlaup?**

4 pm, Old Library, Drummond St

**Everyone at the Hutton Club will be better off thanks to free
Scottish refreshments, this week including Stewarts IPA.**
