

The Hutton Club

Friday 3rd October

Dr Phil Hwang

Scottish Association for Marine Science (SAMS)

When I'm not smashing world records, I like to relax at **the Hutton Club** with my crown and a pint

Arctic sea ice buoys and remote sensing – tools for understanding Arctic sea ice dynamics

4pm – Old Library, Drummond St

Refreshments provided, if Kimetto doesn't beat you there and clear the lot first.

#World'sGreatestHuttonClub
