

The Hutton Club

Friday 30th January

Prof. Colm O’Cofaigh

Department of Geography, Durham University

If I was racing in 2015, no, I wouldn't do it again because I don't think you have to. These **Hutton Club** guys are so far ahead of the game that doping just isn't enough anymore.

**Marine records of Greenland Ice Sheet history
bordering Baffin Bay**

4pm – Old Library, Drummond St

All snacks and drinks are compliant with UCI Anti-Doping guidelines
