Here is an outline of the information you should consider including on a ‘re-use of Video Recordings’ form. This template is not prescriptive and it is provided to act only as a guide for your research project requirements.

**Re-use of Video Recordings**

Research project title:
Research investigator:
Address & contact details of research investigator:

Research participants name:

As part of the research project named above a video recording was made of you while you participated in the research. We would like you to indicate below what re-uses of these records you are willing to consent to on this follow up research project. This is completely up to you and you may withdraw from the research at this point if you wish. We will only use the records in the ways with which you agree. In any use of these records, names will not be identified.

Please tick to indicate the permissions you wish to give

1. The records can be studied by the wider research team, in addition to the principal investigator, for use in the research project.
   
   Yes ☐ No ☐

2. The records can be shown to other participants in the research project.
   
   Yes ☐ No ☐

3. The records can be used for scientific publications.
   
   Yes ☐ No ☐

4. The records can be kept in an archive for other researchers.
Yes  □  No  □
5. The records can be used by other researchers.
Yes  □  No  □

6. The records can be shown at meetings of scientists interested in (add detail)
Yes  □  No  □

7. The records can be shown in classrooms to students
Yes  □  No  □

8. The records can be shown in public presentations to non-scientific groups.
Yes  □  No  □

9. The records can be used on television and radio.
Yes  □  No  □

10. The records can be used on the research project website.
Yes  □  No  □

I have read the above description and give my consent for the use of the records as indicated above.
