

The Hutton Club...

Friday 20th October

Erm... would that be the same George W. Bush that has a lower IQ than any other American president of the past 50 years?

We've gone nuclear so that the world takes me as seriously as they take George W. Bush!

Dr Allegra LeGrande

‘Consistent simulations of multiple proxy responses to an abrupt climate change event’

4pm – Old Library, Geography

Refreshments delivered by ‘N.Korea Ballistic Missiles Inc.’
(proprietor – K.J.III)
