

# The Hutton Club

Friday 26<sup>th</sup> May

## Andy Hein

School of GeoSciences, University of Edinburgh

Now look, my political health hasn't been good lately, so I went to my spin doctor. He suggested I started swearing uncontrollably and have breast enhancement surgery. That way I would be sure not to be voted out of the House...

**'Cosmogenic nuclide chronology and mid-late Pleistocene glacial history of Patagonian Andes'**

Old Library, Geography, 4 pm

Refreshments available after you do a demeaning task for Big Brother...
