

## Fencing Club Bucs:

**Captain: Calum Johnston**

**Bucs Final: Manchester vs Edinburgh**

**What are your team's goals for this year's Bucs Campaign?**

We are hoping to win the league again to retain our title as British Champions.

**Do you think you have what it takes at the moment to achieve this?**

Yes I think we do. We just need to show what we can do.

**What do you think of your chances against today's opposition?**

They are good although we lost last time we competed against them. That was because we had had a long bus journey down and some of our equipment failed meaning we underperformed.

**Have you got any specific strategies planned on how you are going to defeat the opposition?**

We are just going to do our job and stick to what we want to do. We will figure out a strategy as the match unfolds. We definitely have the home field advantage.

**Where did you place last year in the BUCS competition?**

We won the league last year as well as beating Heriott Watt again in our Varsity match.

**Have you implemented any changes since last year to better your chances for this year?**

No, apart from having a couple new members, it has just been more of the same really.

**Who would you say is your biggest competition and why?**

Manchester and St Andrews. St Andrews are the only Scottish team in the league but we have won the last 4 times.

**How many teams are there in total?**

We have 1 other team which compete in the league below.

**The team won and therefore won the Bucs title for another year.**
