

The Hutton Club...

Friday 19th January

Hi I'm Steve Jobs – the boss of Apple. Here's yet another pointless gadget that everyone will need. It's called the *iPhone* and it's going to make my *iShares* soar!

It's going to make your *iEgo* soar too... what an *iGit*

Dr. M Jane Bunting

‘Getting more out of pollen data: the pollen-landscape calibration’

4pm – Old Library, Geography

iBeer and iNuts will be served, as will the latest must-have product... iCrisps in new highly trendy white packs.
