

The Hutton Club

Friday 17th March

Prof. John McCloskey

School of Environmental Sciences, University of Ulster

Of course not Baldrick! You can have the afternoon off when you die, not before. Now...where did I leave my favourite codpiece?

My Lord, I was wondering if I could have the afternoon off to go to the **Hutton Club**?

‘Modelling Tsunamis from large earthquakes near Sumatra’

Old Library – Geography – 4 pm

Catering by Mrs. Miggins’ Pie Shop – this weeks special: Mutton and Chub Pie.
