

The Hutton Club

Friday 2nd November

Dr. Katie Whitbread

*Mars Rover to
Ground Control:
Found first signs
of intelligent life!*

British Geological Survey

*Ground Control:
At last! We've
found the fabled
Hutton Club*

**‘Quantifying postglacial fluvial erosion in
NW Highland streams’**

4pm – room 2.13, Drummond St

Unlike water on Mars there will be freely flowing Stewart’s Ale (and other refreshments)
