

The Hutton Club

Friday 19th April

Dr. Matthew Brain

Department of Geography, Durham University

Hey Psy, how did you make it onto the **Hutton Club** poster this week? I'm sure everyone was expecting Margaret Thatcher

Why so? My new single has come out – am I the only person who thinks that is a bigger piece of news?

The effects of sediment compaction on salt marsh reconstructions of Holocene sea level: unsolved mystery or case closed?

4pm – Old Library, Drummond St

Free beer, wine and snacks provided as usual
