## Research interests

- Pragmatics** Annotation and functional description of discourse markers  
Categorization of discourse markers, discourse connectives and modal particles  
Variation of distribution and use of discourse markers across languages and genres  
Signaling of discourse relations beyond discourse markers in speech and writing
- Disfluency** Annotation of surface-based features of production fluency (repetitions, connectives, pauses...)  
Analysis of L1 fluency
- Contrastive linguistics** Comparable corpus design across several speech settings  
"Tertium comparationis" for contrastive corpus annotation  
Contrasting English and French discourse markers
- Method** Corpus-based approach, as a mirror of language use  
Crowdsourcing for psycholinguistic research  
Data: spoken / written / multimodal (CMC), synchrony  
Quantitative and qualitative methods of data treatment  
Tools: *Office suite, R and R-studio, LaTeX, JabRef, Praat, ELAN, EXMARaLDA suite*

## Professional experience

- 2019-2021 **Marie Curie post-doctoral fellow** (MSCA Action 794575), University of Edinburgh.
- 2018-2019 **Postdoctoral fellow** (Chargée de Recherches, F.R.S.-FNRS grant from October 2018 to September 2023, interrupted for two years). Université catholique de Louvain.
- 2018 **Research assistant** on a two-month project under Pr. Kate Beeching, University of the West of England (Bristol, UK).
- 2018 **Postdoctoral research assistant** (50% EFT) for the "PhraDiCo – Prosodic Phrasing for Discourse Comprehension" project (F.N.R.S., MIS project led by Pr Anne-Catherine Simon, convention F 4520.16), Université catholique de Louvain (January-June 2018).
- 2017-2018 **Guest Lecturer** (20% EFT) in Multilingual Communication at Université catholique de Louvain.
- 2013-2017 **PhD student** in Linguistics at Université catholique de Louvain. Scholarship from the ARC n°12-17-044 "Fluency and disfluency markers. A multimodal contrastive perspective". Under the supervision of Pr. Liesbeth DEGAND and Pr. Gaëtanelle GILQUIN.

## Academic Appointments, Degrees

- 2017 PhD in Linguistics, Université catholique de Louvain (14/02/17)
- 2011-2013 *Master en Linguistique, finalité approfondie* (MA in Linguistics) *magna cum laude* at Université Catholique de Louvain, Louvain-la-neuve, Belgium. MA thesis « La multimodalité comme ressource à l'interaction dans les échanges linguistiques entre joueurs de MMORPG », dir. Pr. A.-C. Simon & Dr. P. Fastrez (*summa cum laude*).
- 2010-2011 1st Year of MA in English at University of Texas at Brownsville, USA. Exchange program as a graduate assistant.

- 2009-2010 *Licence en Langues et littérature française* (BA in French language and literature) at Paris IV – La Sorbonne, France (mention Bien).
- 2007-2009 *Hypokhâgne & Khâgne* (1st and 2nd Year) of *Classes Préparatoires aux Grandes Ecoles* (Preparatory School) at Lycée Fénelon, Paris 6e, France.

---

## Ph.D Thesis

- 14 Feb 2017 Ph.D Thesis in Linguistics. *Discourse markers and (dis)fluency across registers: a contrastive usage-based study in English and French*. Université catholique de Louvain, Louvain-la-Neuve (Belgium)
- Description Contrastive usage-based analysis of discourse markers (e.g. *well, so, I mean*) of native speakers of French and English and their interaction with other markers of (dis)fluency. Variation of their distribution across languages and spoken registers.
- Supervisors L. Degand, G. Gilquin
- Framework “Action de Recherche Concertée” on “Fluency and disfluency markers. A multimodal contrastive perspective”. Université catholique de Louvain, Louvain-la-Neuve (Belgium)

---

## Collaboration, Scientific Network

- 2013-2018 Member of the ISCH 1312 COST Action *Textlink: Structuring Discourse in Multilingual Europe*, substitute member of the Managing Committee for Belgium, Working Group “Interoperable Annotation Guidelines”
- 2013- Collaboration in the *Orfeo Project (Outils et Recherches sur le Français Ecrit et Oral)* [Tools and Studies on Written and Spoken French] (Coord. J.-M. Debaisieux), ANR Corpus (call 2011), Université Paris 3 Sorbonne Nouvelle (France)
- 2013- Member of the Working Group *MDMA (Model for Discourse Marker Annotation)*, coord. by C. Bolly (with F. Ciabbari, L. Degand, D. Uygur-Distexhe), Centre Valibel – Discours et variation, Université catholique de Louvain, Louvain-la-Neuve (Belgium)
- 2013-2017 Member of the A.R.C. Project *Fluency and disfluency markers. A multimodal contrastive perspective*, Université catholique de Louvain & Université de Namur, Louvain-la-Neuve (Belgium)

---

## Summer/Thematic Schools

- July 2015 Bootcamp Statistics with R, by Pr. Stefan Gries (organizers Linguistic Research Unit, Université Catholique de Louvain), June 29 – July 3<sup>rd</sup>, Louvain-la-Neuve, Belgium.
- Oct. 2013 Dubrovnik Fall School in Quantitative methods (organizers Norwegian University of Science and Technology), October 21-25 2013, Dubrovnik, Croatia.
-

## Research stays

- Oct. 2017 Five-week Short Term Scientific Mission in Saarland University (Germany), hosted by Prof. Vera Demberg, working on experimental designs for the study of the cognitive processing of underspecified connectives
- Spring 2017 Three-month research stay in Universitat de València, Spain, hosted by Prof. Maria-Josep Cuenca and Prof. Salvador Pons Borderia, collaborating on an on-going project on the co-occurrence (or “constructions”) of discourse markers in English, French and Spanish
- Nov. 2014 Three-week Short Term Scientific Mission in Université de Fribourg, hosted by Prof. Sandrine Zufferey, working on the assessment of the validity of annotation guidelines, towards multimodal annotation of discourse-relational devices

---

## Teaching Experience

- Fall 2018 Lecturer in “Discourse analysis” Master seminar (substitute for Pr. L. Degand)
- Spring 2018 Guest Lecturer in Business communication (written & spoken) Master seminar
- Fall 2016 Teaching Assistant in “Discourse analysis” Master seminar (Pr. L. Degand)
- Spring 2015 Teaching Assistant in “Discourse analysis” Master seminar (Pr. L. Degand)
- 2011-2013 Private lessons of French and English, employed by Admitis
- 2010-2011 Graduate Assistant in French I and II, University of Texas at Brownsville, USA.

---

## Academic Services

- 2018 Member of the *Bureau* of the IL&C at the Université catholique de Louvain
- 2017 Reviewer for a journal (*Dialogue and Discourse*)
- 2013-2015 Substitute member of the *Bureau* (Executive Board) of the Institute for Language & Communication (IL&C) at the Université catholique de Louvain

## Conferences, Seminars

---

### Conference Organization

- Local committee: “6<sup>th</sup> International Symposium on Discourse Markers in Romance Languages” (Org.: Pr. L. Degand). Université catholique de Louvain, November 2017 (tbd).
- Panel organizer: “Functions of pragmatic markers: why should we care?” Panel session at the 15<sup>th</sup> International Pragmatics Associations Conference, Belfast, Ireland, July 16-21 2017 (with C. Bolly).
- Local committee: “International conference on fluency and disfluency across languages and language varieties” (Org.: Pr. L. Degand, Pr. S. Granger, Pr. A.-C. Simon, Dr. G. Gilquin). Université Catholique de Louvain, February 15-17 2017.
- Local committee: “Statistics with R Bootcamp”, hosting Pr. Stefan Gries (Org.: Dr. M. Paquot, with I. Grosman, S. Laporte, M. Rasson). Linguistic Research Unit, Université Catholique de Louvain, June 29 – July 3<sup>rd</sup> 2015.

---

## Invited Talks

- “Relations discursives entre marquage faible et fort : approche multi-genre, multilingue et multimodale”, invited research seminar, Université Toulouse – Le Mirail, January 17th, 2019.
- “Évaluation cognitive des marqueurs du discours. De la production à la perception,” guest lecture at a Linguistics Master’s seminar, Universität zu Bern, April 9th 2018.
- “Apports, pratique et défis des corpus oraux comparables: le cas de *DisFrEn*”, guest lecture at a Linguistics Master’s seminar, Université de Poitiers, March 17<sup>th</sup> 2017.
- “Approche catégorielle des marqueurs du discours en français et en anglais : position, fonction et (dis)fluence”, invited research seminar, FOReLL group, Université de Poitiers, March 17<sup>th</sup> 2017.

## Conference Talks (peer-reviewed)

- “Towards a constructional framework of the polyfunctionality of discourse markers” (2018). Paper presented at the CogLing8 Days, December 13-14, Louvain-la-Neuve, Belgium.
- “Coherence relations across speech and sign language: A comparable corpus study of additive connectives” (2018) (with S. Gabarro-Lopez). Paper presented at the 5<sup>th</sup> “Using Corpora in Contrastive and Translation Studies” Conference, September 12-14, Louvain-la-Neuve, Belgium.
- “Towards a constructional framework of the polyfunctionality of discourse markers” (2018). Paper presented at the 10<sup>th</sup> International Conference on Construction Grammar, July 16-18, Paris, France.
- “The effect of genre variation on the production and acceptability of underspecified discourse markers in English” (2018) (with V. Demberg). Paper presented at the 20<sup>th</sup> Discourse Net Conference, May 17-19, Budapest, Hungary.
- “A pilot study on underspecified discourse connectives in the TED Talk parallel corpus” (2018) (first author, with S. Zikanova, A. Abuczki, N. Burksaitiene, P. Furko, A. Nedoluzhko & G. V. Oleskeviciene). Paper presented at the 20<sup>th</sup> Discourse Net Conference, May 17-19, Budapest, Hungary.
- “The underspecified connective *and* in a parallel TedTalk corpus: functions, translation and implicature” (2018) (first author A. Abuczki, with N. Burksaitiene, P. Furko, A. Nedoluzhko, G. V. Oleskeviciene & S. Zikanova). Paper presented at the 20<sup>th</sup> Discourse Net Conference, May 17-19, Budapest, Hungary.
- “Contribution de la prosodie à l’identification des relations discursives” (2018) (first author I. Didirkova, with A.-C. Simon). Paper presented at the 3<sup>rd</sup> « Perception en langage et en discours » Conference, April 26-28, Opole, Poland.
- “Co-occurrence of discourse markers: from juxtaposition to composition” (2018) (with M. J. Cuenca). Paper presented at the TextLink 2018 Final Action Conference, March 19-21, Toulouse, France.
- “Designing a corpus-based lexicon for spoken DRDs: semantic considerations” (2018) (with A. Mendes). Paper presented at the TextLink 2018 Final Action Conference, March 19-21, Toulouse, France.
- “Functions and domains of discourse markers across languages: Testing a two-dimensional annotation scheme” (2018) (first author L. Degand, with K. Grzech). Paper presented at the TextLink 2018 Final Action Conference, March 19-21, Toulouse, France.
- “Ambiguity, multifunctionality and underspecification: coming to terms with French *et, mais, donc*” (2017). Paper presented at the 5<sup>th</sup> International Conference on Discourse Markers in the Romance Languages (DisRom 2017), November 8-10, Louvain-la-Neuve, Belgium.
- “From connective to interpersonal functions: variation of discourse marker use in French, English and Polish” (2017) (with L. Degand and K. Grzech). Paper presented at the 5<sup>th</sup> International Conference on Discourse Markers in the Romance Languages (DisRom 2017), November 8-10, Louvain-la-Neuve, Belgium.

- “Revisiting the role of syntax in discourse marker annotation” (2017) (first author L. Degand). Paper presented at the 50<sup>th</sup> Annual Meeting of the Societas Linguistica Europaea (SLE 2017), September 10-13, Zurich, Switzerland.
- “Testing interdependent annotation levels for sense disambiguation in spoken English, French and Polish” (2017) (with L. Degand). Paper presented at the 50<sup>th</sup> Annual Meeting of the Societas Linguistica Europaea (SLE 2017), September 10-13, Zurich, Switzerland.
- “How to be (dis)fluent in English, French and Spanish: towards universal constructions of discourse markers and disfluencies across registers” (2017) (with E. Pascual). Paper presented at the 15<sup>th</sup> International Pragmatics Conference (IPrA 2017), July 16-21, Belfast, Northern Ireland.
- “From co-occurrence to constructions: patterns of discourse markers and disfluencies across registers in English and French” (2017). Paper presented at the International Cognitive Linguistics Conference (ICLC14), July 10-14, Tartu, Estonia.
- “Recycling discourse: from qualitative repair categories to a formal scale of fluency” (2017). Paper presented at the International Conference on Fluency & Disfluency Across Languages and Language Varieties, February 15-17, Louvain-la-Neuve, Belgium.
- “Discourse markers within (dis)fluent constructions in English, French and Spanish casual conversations: The challenges of contrastive fluency research” (2017) (first author: E. Pascual). Paper presented at the International Conference on Fluency & Disfluency Across Languages and Language Varieties, February 15-17, Louvain-la-Neuve, Belgium.
- “(Dis)fluency across spoken and signed languages: applications of an interoperable annotation scheme” (2017) (with A. Dumont, I. Grosman, I. Notarrigo). Paper presented at the International Conference on Fluency & Disfluency Across Languages and Language Varieties, February 15-17, Louvain-la-Neuve, Belgium.
- “Discourse markers and disfluencies: Integrating functional and formal annotations” (2016). Paper presented at the 12<sup>th</sup> Joint ACL-ISO Workshop on Interoperable Semantic Annotation (isa-12), LREC 2016 Workshop, May 23-28, Portoroz, Slovenia.
- “Interdependence of annotation levels in a functional taxonomy for discourse markers in spoken corpora” (2016) (with L. Degand & A.-C. Simon). Paper presented at the 2<sup>nd</sup> Action TextLink Conference, April 11-13, Budapest, Hungary.
- “Position and context of structuring discourse markers. A corpus-based investigation of scope and cognitive load in French and English” (2016). Paper presented at the 3<sup>rd</sup> International Conference on Linguistic & Psycholinguistic Approaches to Text Structuring (LPTS 2016), January 24-26, Valencia, Spain.
- “From context to functions and back again: Disambiguating pragmatic uses of discourse markers” (2015) (with C. Bolly). International Pragmatics Association (IPrA) conference, July 26-31, Antwerp (Belgium).
- “Functions and syntax of discourse markers across languages and genres: towards a multilingual annotation scheme” (2015) (with L. Degand). International Pragmatics Association, 26-31 July 2015, Antwerp, Belgium.
- “Etude contrastive des marqueurs de discours français et anglais: approche onomasiologique sur corpus comparable” (2015). 4th International Symposium « Discourse markers in romance languages : a contrastive approach », May 6-9, University of Heidelberg (Germany).
- “Using a unified taxonomy to annotate discourse markers in speech and writing” (2015) (with S. Zufferey). Joint ACL-ISO Workshop on Interoperable Semantic Annotation (isa-11), 14 April 2015, London, UK.
- “Towards a Model for Discourse Marker Annotation in spoken French: From potential to feature-based discourse markers” (2014) (with C. Bolly, L. Degand, D. Uygur-Distexhe), International Workshop *Pragmatic Markers, Discourse Markers and Modal Particles: What do we know and where do we go from here?*, 16-17 October 2014, Università dell'Insubria, Como (Italy)
- “Selection and functional description of discourse markers in French and English: towards crosslinguistic and operational categories for contrastive annotation” (2014). International

Workshop *Pragmatic Markers, Discourse Markers and Modal Particles: What do we know and where do we go from here?*, 16-17 October 2014, Università dell'Insubria, Como (Italy)

"Reaching cross-linguistic comparability across multiple interactional situations: a challenge for corpus design" (2014). Paper presented at the 7th Biennial IVACS Conference, 19-21 June 2014, Newcastle (UK).
