

We're over half way there! We have randomised our 31st participant. Keep up the good work. We need to recruit 4 participants per week to ensure we reach our target of 60 by the **30th November**.

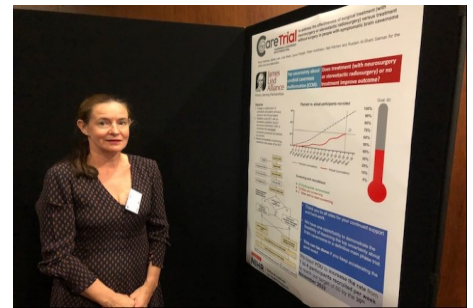

Randomisations

You have now randomised 31 participants. Thank you to all sites for your continued support and hard work. Well done to the team at the **Royal Hallamshire Hospital, Sheffield** on randomising their **7th** patient and the teams at **Hull Royal Infirmary** and **King's College, London** on randomising their **5th** and **3rd** patients, respectively.

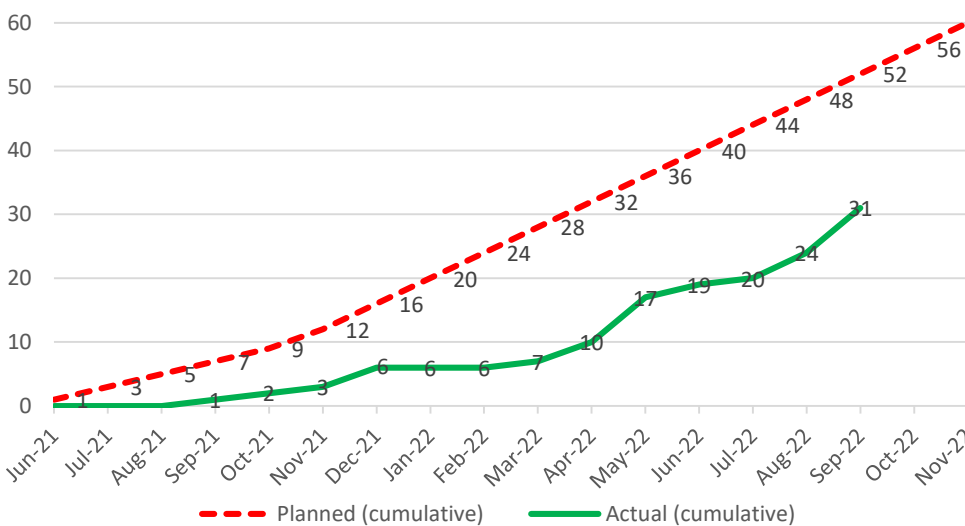

UK Stroke Research Workshop 2022

Dr Kirsty Harkness has been flying the flag for CARE at the UK stroke research workshop this week.

Target (red) vs actual (green) participants recruited

Screening and recruitment activity

- **31 participants randomised**
- **18 sites are screening**
- **3 sites still to start screening**

Looking for guidance? [The CARE website](#) has been updated with more **"CARE Chats" videos**, which provide top tips for collaborators.
