

## CHOOSING OUTSIDE COURSES

For your degree programme you are required to choose an 'outside course' or courses.

Factors to consider when making your choice(s):

1. Subjects that interest you
2. Needs to fit into your timetable
3. You may need prior knowledge of the course. This mainly applies to language courses
4. Flexibility to switch to another degree
5. Some courses only run for one year so you are unable to follow-on in year 2.

## SOURCES OF INFORMATION FOR CHOOSING OUTSIDE COURSES
