What we do

Providing high quality advice, support and action on social responsibility and sustainability

- We **understand and explain** what the important risks and opportunities are
- We **develop** the University's response to these challenges and opportunities
- We **deliver** and facilitate programmes to catalyse action and collaboration across campus

Opportunities for students

- **Student Forum**

- Inspiring action, sharing ideas and encourage collaboration

- **Student Project Grant**

- £4,000 fund to support student-led projects

- **Sustainability Awards**

- Recognising student-led action across campus

Opportunities for students

- Volunteer roles
- Dissertation research
- Work-based placements
- Online training
- Events
