Edinburgh Imaging - Marketing Material - Spread the Word!

Edinburgh Imaging has produced **eye-catching postcards** on our Image Analysis suite and Medical Imaging facilities. These are ideal to take to meetings or conferences. Please ask jane.barr@ed.ac.uk for supplies.

We are also producing a **new Edinburgh Imaging video** which will be linked to the website by the end of February. Please take a note of its url, and include it in any relevant job descriptions or grant applications.
