EDINBURGH
extraordinary futures await

Getting started

These pages provide some key information to help you make the most of your visit. Helpdesks are located in multiple Open Day venues, marked 'H' on the maps.

Open Day venues

Today's Open Day takes place across various areas:

- Central campus (Bristo Square/George Square/Chambers St.)
- Easter Bush campus (Veterinary Medicine only)
- Edinburgh BioQuarter campus (Medicine only)
- Holyrood campus
- King's Buildings campus
- New College
- Pollock Halls (Accommodation)

Campus maps can be found on pages 10 - 11.

Travelling between campuses

Please remember to factor in travel time when planning your day. A free Open Day shuttle bus service operates between the Central campus (Buccleuch Place), King's Buildings campus. Our shuttle bus services for Medicine & Veterinary Medicine visits require pre-booking. More details are on page 11.

Check in

You can check in with the ticket/QR code in your email at any time at one of our Helpdesks and pick up your free canvas bag, or self-check in for the event on your mobile phone. For those visitors who have not booked to attend, we ask that you please register at a Helpdesk. You may also be checked in for individual talks and tours, so keep your email and QR code handy!

Accompanying guests

Some activities are due to be very busy, and where space is limited our priority will be to ensure that prospective students can attend. Therefore, your booking for a talk, taster or tour will ensure that the student associated with the booking can access that activity but guests may not be able to join. Remaining spaces will be allocated on a first come first serve basis, with priority for prospective students. We appreciate your understanding, and all guests will be welcome to speak with staff at information desks and visit University facilities.

Refreshments

During your visit to the University you will find a range of cafés, selling a variety of refreshments. There are also water fountains in most Open Day venues. University outlets are listed on page 12.

Accessibility

If you have any queries on the day, please visit one of our Helpdesks. Staff and Student Ambassadors will be on hand to provide assistance across our campuses. Staff from the University's Disability & Learning Support Service are also happy to answer any questions about support for students who have a disability, learning difference, neurodiverse or health condition that may impact on their studies (page 4).

Lost property

Please hand in any lost property to a Helpdesk. If you lose an item please speak to staff at the nearest Helpdesk. Lost items can be collected from the Informatics Forum (Central campus, map 1, ref. 32) and the Nucleus (King's Buildings campus, map 2, ref. 38).

Fire alarms

No fire alarm tests are planned. If the alarm sounds please leave the building by the nearest exit and follow instructions from staff and Student Ambassadors.

Illness / Injury

Please report illness / injury to the nearest staff member, who will be able to arrange first aid assistance.

Activities

Information about what to expect from some of our main Open Day activities. Full listings of today's activities are on pages 4 - 9.

Subject and service talks

These talks provide an introduction to our subject areas and other aspects of studying with us, including accommodation, admissions, study abroad, sport and student life. Most talks will last 30 minutes.

Information desks

Available for all subject areas and key services between 10:00 - 16:00. There are plenty of staff available to speak to about our subject areas and courses, as well as fees & funding, study abroad, careers, support, extracurricular activities and more.

Admissions

Our admissions staff will be available at information desks between 10:00 - 16:00 to provide one-to-one, tailored advice on applying to the University (see page 5). Admissions questions should be directed here rather than subject information desks, unless otherwise stated.

Admissions talks provide general information about admission to the College, while the information desks offer you the opportunity to find out about detailed entry requirements for your chosen programme and discuss your particular circumstances.

Taster lectures

Available in a range of subjects, these sample lectures will give you an insight into what studying might be like at Edinburgh. Whilst the lectures are presented by academics from specific subject areas, they may be of general interest to a wider audience.

Language taster sessions

Our School of Literatures, Languages and Cultures is running beginners' language taster sessions, each covering a language from Europe, East Asia or the Middle East that you may not have had a chance to try before. To give you an authentic experience of small group learning, numbers are very limited and advance booking is required.

NOTE: Booking will be available for these sessions and details added to the programme in early June. We will email those who have stated an interest in any language.

Fees and funding

Staff at our Fees & Student Support, and Scholarships & Student Funding information desks in McEwan Hall can provide information about funding opportunities, tuition fees, scholarships, bursaries and financial assistance.

Accommodation

Find out about our student accommodation options and 'accommodation guarantee' from the information desk as well as multiple talks throughout the day. A selection of accommodation is open to tour at Pollock Halls, though please note that as it is term time, only a few example rooms will be available to view (page 4).

Tours and facilities

You can view some of the excellent facilities you might use as a student here, including our main libraries, sports facilities and a selection of accommodation options (page 4). Some subject areas offer tours, and details of these are listed on pages 5 - 9.

Our **self-guided audio campus tour** also allows you to explore our campuses at a pace and time that suits you. The app is free to download and is compatible with most iOS and Android devices - all you need is a smartphone or tablet. Scan the QR code or go to: www.ed.ac.uk/visit/tours/self-guided

Student experience at Edinburgh
