## **Welcome**

We are delighted to welcome you to the National Oceanography Centre in Southampton,  
for the 14th National UKCCRG Forum

Presentations on a wide range of topics, research proposals, and investigator meetings all delivered at excellent  
University facilities on the dock front .

The Titanic set sail on its maiden voyage from Southampton. Southampton is accessible by road, train, air and  
boat and is a lively city with plenty to do and place to eat drink and relax. It is a stone's throw away from many  
local attractions and including The New Forest National Park, Portsmouth and the Historic dockyards and the Isle  
of Wight. Please get in touch if you need any additional information or there is anything we can do to make your  
forum more enjoyable

## **Registration**

Registration will take place on level 4

## **Cloakroom**

Cloakroom facilities will be provided on level 4 and bag drop will be available on the ground floor

## **Refreshments**

All refreshments will be provided on the concourse

## **Meeting Rooms**
