<i>Working Papers</i>	2022. Francesco Lancia, Alessia Russo and Tim Worrall: “Optimal Sustainable Intergenerational Insurance”. Centre for Economic Policy Research, Discussion Paper, No. 15540, January.
<i>Media Coverage</i>	2016. “Watch Out for Winners and Losers: Odd-Implied Brexit Sentiment and FTSE Returns” with Costas Milas (University of Liverpool) and Robert Zymek (University of Edinburgh), London School of Economics, British Politics and Policy Blog, 22 June. 2014. “Economists Count Cost of Scottish Opinion Polls” with Costas Milas (University of Liverpool), Real Time Economics, Wall Street Journal, 11 April; London School of Economics, British Politics and Policy Blog, 25 April.
<i>Work in Progress</i>	“Intergenerational Insurance” with Francesco Lancia (a' Foscari University of Venice) and Alessia Russo (University of Padua). “Mutual Insurance with Persistence”. “Optimal Rotating Savings and Credit Associations” with Ethan Ligon (University of California at Berkeley).
<i>Citations</i>	The ISI Web of Knowledge/Scopus show over 600 citations for the published articles listed below of which over 125 are in blue ribbon (discipline’s top eight) journals. Google Scholar shows circa 3,250 citations. Articles are cited and discussed in the core graduate text of Sargent and Ljungqvist, <i>Recursive Macroeconomic Theory</i> (MIT Press, 2004). The most cited article is ““Informal Insurance and Limited Commitment: Theory and Evidence from Village Economies”, which has over 150 citations. The paper “Income Fluctuation and Asymmetric Information: An Example of a Repeated Principal-Agent Model” is ranked in the top 1% of the most highly cited papers by recursive impact factor.

Grants and Awards

2024	Leverhulme Trust Fellowship, Intergenerational Insurance (55k).
2015-2022	Economic and Social Research Council, Co-investigator (one of nine from Edinburgh), Credit and labour market foundations of the macroeconomy, (John Hardman-Moore, Principal Investigator, £6 million).
2006-2007	Royal Economic Society, November 2006 - April 2007: An evaluation of the performance of UK research in economics (24k).
2004-2006	Economic and Social Research Council, Co-investigator, Self-enforcing and dynamic relational contracts (Jonathan Thomas, Principal Investigator, 151k).
2001-2003	Department for International Development, Co-investigator (one of three from Keele), The effects of macro-financial liberalisation policies on micro-household savings and credit behaviour in developing countries (Peter Lawrence, Principal Investigator, 125k).
1998-1999	Leverhulme Trust Fellowship, Quasi-credit in LDCs (15k).
1998	Keele Research Incentive Scheme, 1999: Quasi-credit and LDCs (5k).

*Invited
Talks***External Research Talks**

2024: Durham University, January.
 2017: Umeå University, Sweden, February.
 2015: Heriot-Watt University, November. University of Hull, February.
 2014: University of Manchester, September; Money, Macro, Finance Conference, University of Durham, September.
 2013: University of Liverpool, November; University of Oslo, September; Yonsei University, Seoul, Korea, June; York Game Theory Symposium, York University, June.
 2012: Workshop on macroeconomic applications of dynamic games and contracts, Stony Brook University, New York, July; Keele University, February; Strathclyde University, February; City University, January.
 2011: Durham University, October.
 2010: University of Dundee, March.
 2009: University of Surrey, November; Workshop on the theory and empirics of risk sharing, Gremaq, Toulouse School of Economics, October; Regional Studies Research Network Workshop on Geographical localisation, intersectoral reallocation of labour and unemployment differentials, Rimini, May.
 2008: Warwick University, November; 2nd St Andrews Workshop in applied microeconomics, September.
 2007: Canadian Macroeconomic Study Group, Ottawa, November; University of Durham, November; Workshop on risk sharing, Toulouse School of Economics, September; Bristol University, May; Sheffield University, May.
 2006: University of California at Berkeley, March; Manchester University, February.
 2004: Queen's University Belfast, May. Birmingham University, May.
 2003: Durham University, November; Game Theory Workshop, University of Nottingham, April; University of Newcastle, April.
 2002: Birkbeck College London, March; University of Surrey, February.
 2000: South Bank University, May; Nottingham University, May.
 1999: Birmingham University, November; Department of Agricultural Resource Economics, University of California at Berkeley, April.
 1997: Durham University, April.
 1996: University of Liverpool, June; University of Loughborough, May; Institute for Empirical Macroeconomics at the Federal Reserve Bank of Minneapolis, Minnesota, April.
 1995: University of Manchester, April.
 1994: Summer Research Workshop on New Macroeconomics, Warwick University, July; University of Sheffield, April; University of Keele, February.
 1993: University of Aberystwyth, May; University of Exeter, November; University of Salford, January; 1st Summer School in Economic Theory at La Sorbonne, Paris, April; Centre for Operations Research and Economics at the University of Louvain-la-Neuve, Belgium, April.

<i>Conference Talks</i>	2021: Royal Economic Society, Belfast, April.
	2019: European Meeting of the Econometric Society, Manchester, August.
	2017: National Bureau of Economic Research Summer Institute, Boston, July; Society for Economic Dynamics, Edinburgh, June; Society for the Advancement of Economic Theory, Faro, June.
	2016: Theoretical Research in Development Economics conference, Duke University, April.
	2015: Society for the Advancement of Economic Theory, Cambridge, UK, July.
	2012: Journées d'Economie Publique Louis-André Gérard-Varet, Marseilles, June.
	2011: European Trade Study Group, Copenhagen, September; Society for Economic Dynamics, Ghent, July; Society for the Advancement of Economic Theory, Faro, June; Econometric Society Winter Meetings, Denver, January.
	2009: Society for Economic Dynamics, Istanbul, July; Canadian Economic Association, Toronto, May.
	2008: Society for Economic Dynamics, Massachusetts Institute of Technology, July.
	2006: European meeting of the Econometric Society, Vienna, August; European Economic Association, Vienna, August; Canadian Economic Association, Montreal, May; Royal Economic Society, Nottingham, April.
	2005: Society for Economic Dynamics, Budapest, June.
	2004: European Economic Association, Madrid, August.
	2003: European meeting of the Econometric Society, Stockholm, August; Game Theory Workshop, University of Nottingham, April.
	2001: European meeting of the Econometric Society, Lausanne, August.
	1999: European meeting of the Econometric Society, Santiago de Compostela, August.
	1995: 7th World Congress of the Econometric Society, Tokyo, August.
	1993: Royal Economic Society, York, April.
	1990: 6th World Congress of the Econometric Society in Barcelona, August.
	1986: European meeting of the Econometric Society, Budapest, August.
	1985: 5th World Congress of the Econometric Society in Cambridge, Massachusetts, August.
	1984: European meeting of the Econometric Society, Madrid, August.

Honourary and Visiting Positions

<i>Honorary Positions</i>	<p>2012-2021. Member, Network in Applied and Theoretical Economics.</p> <p>2011-2013. Honorary Fellow, University of Manchester.</p> <p>2008-present. Senior Fellow, Rimini Centre for Economic Analysis.</p> <p>1996-1998 and 2001-2004. Honorary Fellow, University of Liverpool.</p>
<i>Visits</i>	<p>2013. Centre for the Study of Equality, Social Organisation and Performance, University of Oslo, Norway, September; Department of Economics, Yonsei University, South Korea, June</p> <p>2012. Department of Agricultural Resource Economics, University of California at Berkeley, April-May.</p> <p>2011. Department of Economics, University of Vienna, December; RECent (Center for Economic Research), Department of Political Economy, University of Modena and Reggio Emilia, May.</p> <p>2006. Department of Agricultural Resource Economics, University of California at Berkeley, February-April.</p> <p>1996. Institute for Empirical Macroeconomics, Federal Reserve Bank of Minneapolis, April.</p> <p>1992. Centre for Operational Research and Economics, Louvain-la-Neuve, April.</p>

Teaching Experience

<i>Current Courses</i>	Asset Pricing (level 11, circa 30 students); Introductory Financial Economics (level 8, circa 350 students).
<i>UG Courses</i>	Corporate Finance; Econometrics; Economics of Asymmetric Information; Game Theory; Intermediate Finance; International Economics; Introductory Economics; Labour Economics; Management Science; Managerial Economics; Mathematical Economics; Microeconomics; Modelling the Financial Crisis; Options and Futures; Quantitative Methods.
<i>PG Courses</i>	Contract Theory; Corporate Finance; Game Theory; Financial Mathematics; Financial Instruments; Asset Pricing; Microeconomics; Regulatory Economics; Topics in Economic Theory. Research Methods in Mathematical Economics and Microeconomics.
<i>UG Supervision</i>	Areas supervised: Charitable giving; Competition policy; Economics of climate change; Economics of gambling; Economics of marriage; Economics of sport; Tax non-compliance; Deregulation; Migration; Social networks; Inequality; Housing markets.
<i>PG Supervision</i>	Topics include: Calendar effects; Credit default swaps; Executive compensation; Financial distress; Capital structure; Mergers & acquisitions; Real estate investment trusts; Transfer pricing; Third order price discrimination; Consumption and house prices; Portfolio management; Risk-sharing and migration; Credit cycles; SIR model; Microfinance institutions.

<i>Internal Ph.D. Examining</i>	2020. Sean Ferguson (Edinburgh), Essays on the selection and design of information structures.
	2016. Ibrahim Inal (Edinburgh), Essays on beliefs and knowledge.
	2014. James Best (Edinburgh), Social learning, cooperation, asset markets and human capital.
	2013. Nicholas Myers (Edinburgh), Trade costs and national borders.
	2006. Petar Bozhinov (Keele), Constant relative risk aversion and rent-seeking games.
	2005. Ji-Tian Jeng (Keele), Bayesian aggregative games.
	2002. Clare Kelly (Keele), Consumption smoothing in the short-run: effects of uncertainty and imperfect capital markets.
	2001. Fabiano Vergari (Keele), Finance and development; an analysis of the role of equity markets and the banking sector in developed and lesser-developed countries.
<i>Doctoral Supervision</i>	Sikandar Singh Soin (Data Analyst, Ministry of Justice): Two Models of Institutional Design in Crime and Education, PhD, University of Edinburgh, 2022 (passed with revisions).
	Pongpalin Yingchoncharoen (Lecturer, Thammasat University, Thailand): Growth and Inequality, MRes, University of Edinburgh, 2018.
	Aodi Tang (Economist, UBS): Essays on Contracting for Experimentation, PhD, University of Edinburgh, 2018 (passed with minor revisions).
	Sareh Vosooghi (Assistant Professor, KU Leuven, Belgium): Essays on Information and Transboundary Problems in Environmental and Resource Economics, PhD, University of Edinburgh, 5 September 2016 (passed with minor revisions).
	Rongyu Wang (Lecturer, Shandong University of Arts, China): Games of Incomplete Information, PhD, University of Edinburgh, 1 August 2016 (passed without revisions).
	Vasco Filipe de Figueiredo Alves (Lecturer in Economics, University of Birmingham): Essays in Strategic Queuing, PhD, University of Edinburgh, 29 January 2016 (passed with minor revisions).
	Michael King: A Rationale for Tying Merchants' Membership of Platforms Serving Independent Markets, PhD, University of Manchester, 2011 (passed with minor revisions).
	Ioannis Lazopoulos (Senior Lecturer in Economics, University of Surrey): Debt Contracts and Bank Runs, PhD, Keele University, 2006 (passed without revisions, awarded with commendation).
	Alex Dickson (Reader in Economics, University of Strathclyde): On Strategic Marshallian Analysis: Shapley and Shubik meet Marshall and Cournot, PhD, Keele University, 2005 (passed with minor revisions, awarded with commendation).
	Svetlana Andrianova (Associate Professor in Economics, University of Leicester): Essays on Collusion, Corruption and Reforms, PhD, London South Bank University, 2001 (passed without revisions).
<i>Other Examining</i>	2008-2012. Chief Examiner for Corporate Finance, Institute of Financial Services, ifs University College.
